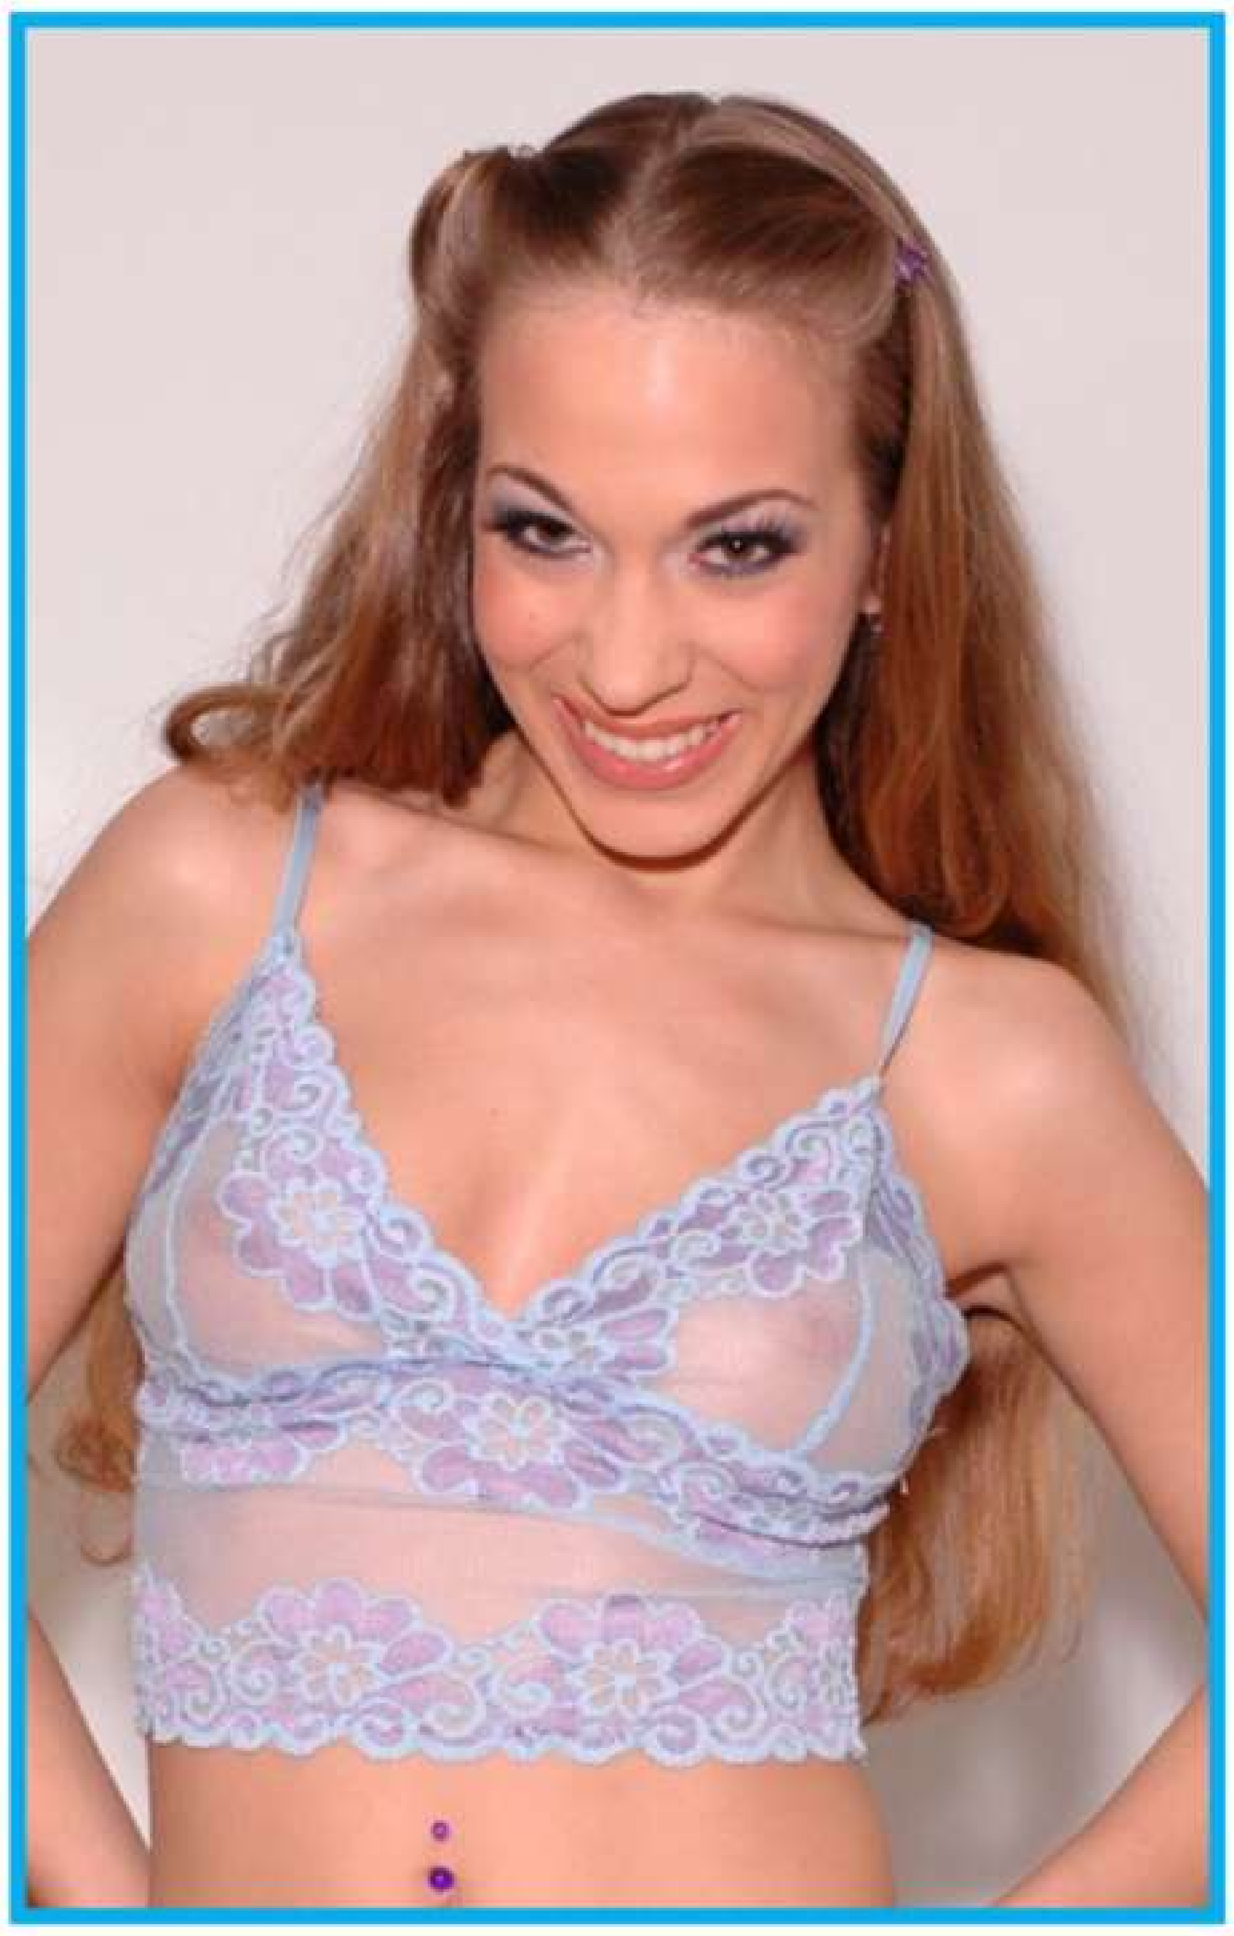
my ass wants you



HOME TOWN: Cleveland

HITCHED: July 2009

LONELY: Now I am

HEIGHT: 5′ 4″

WEIGHT: 112 lbs.

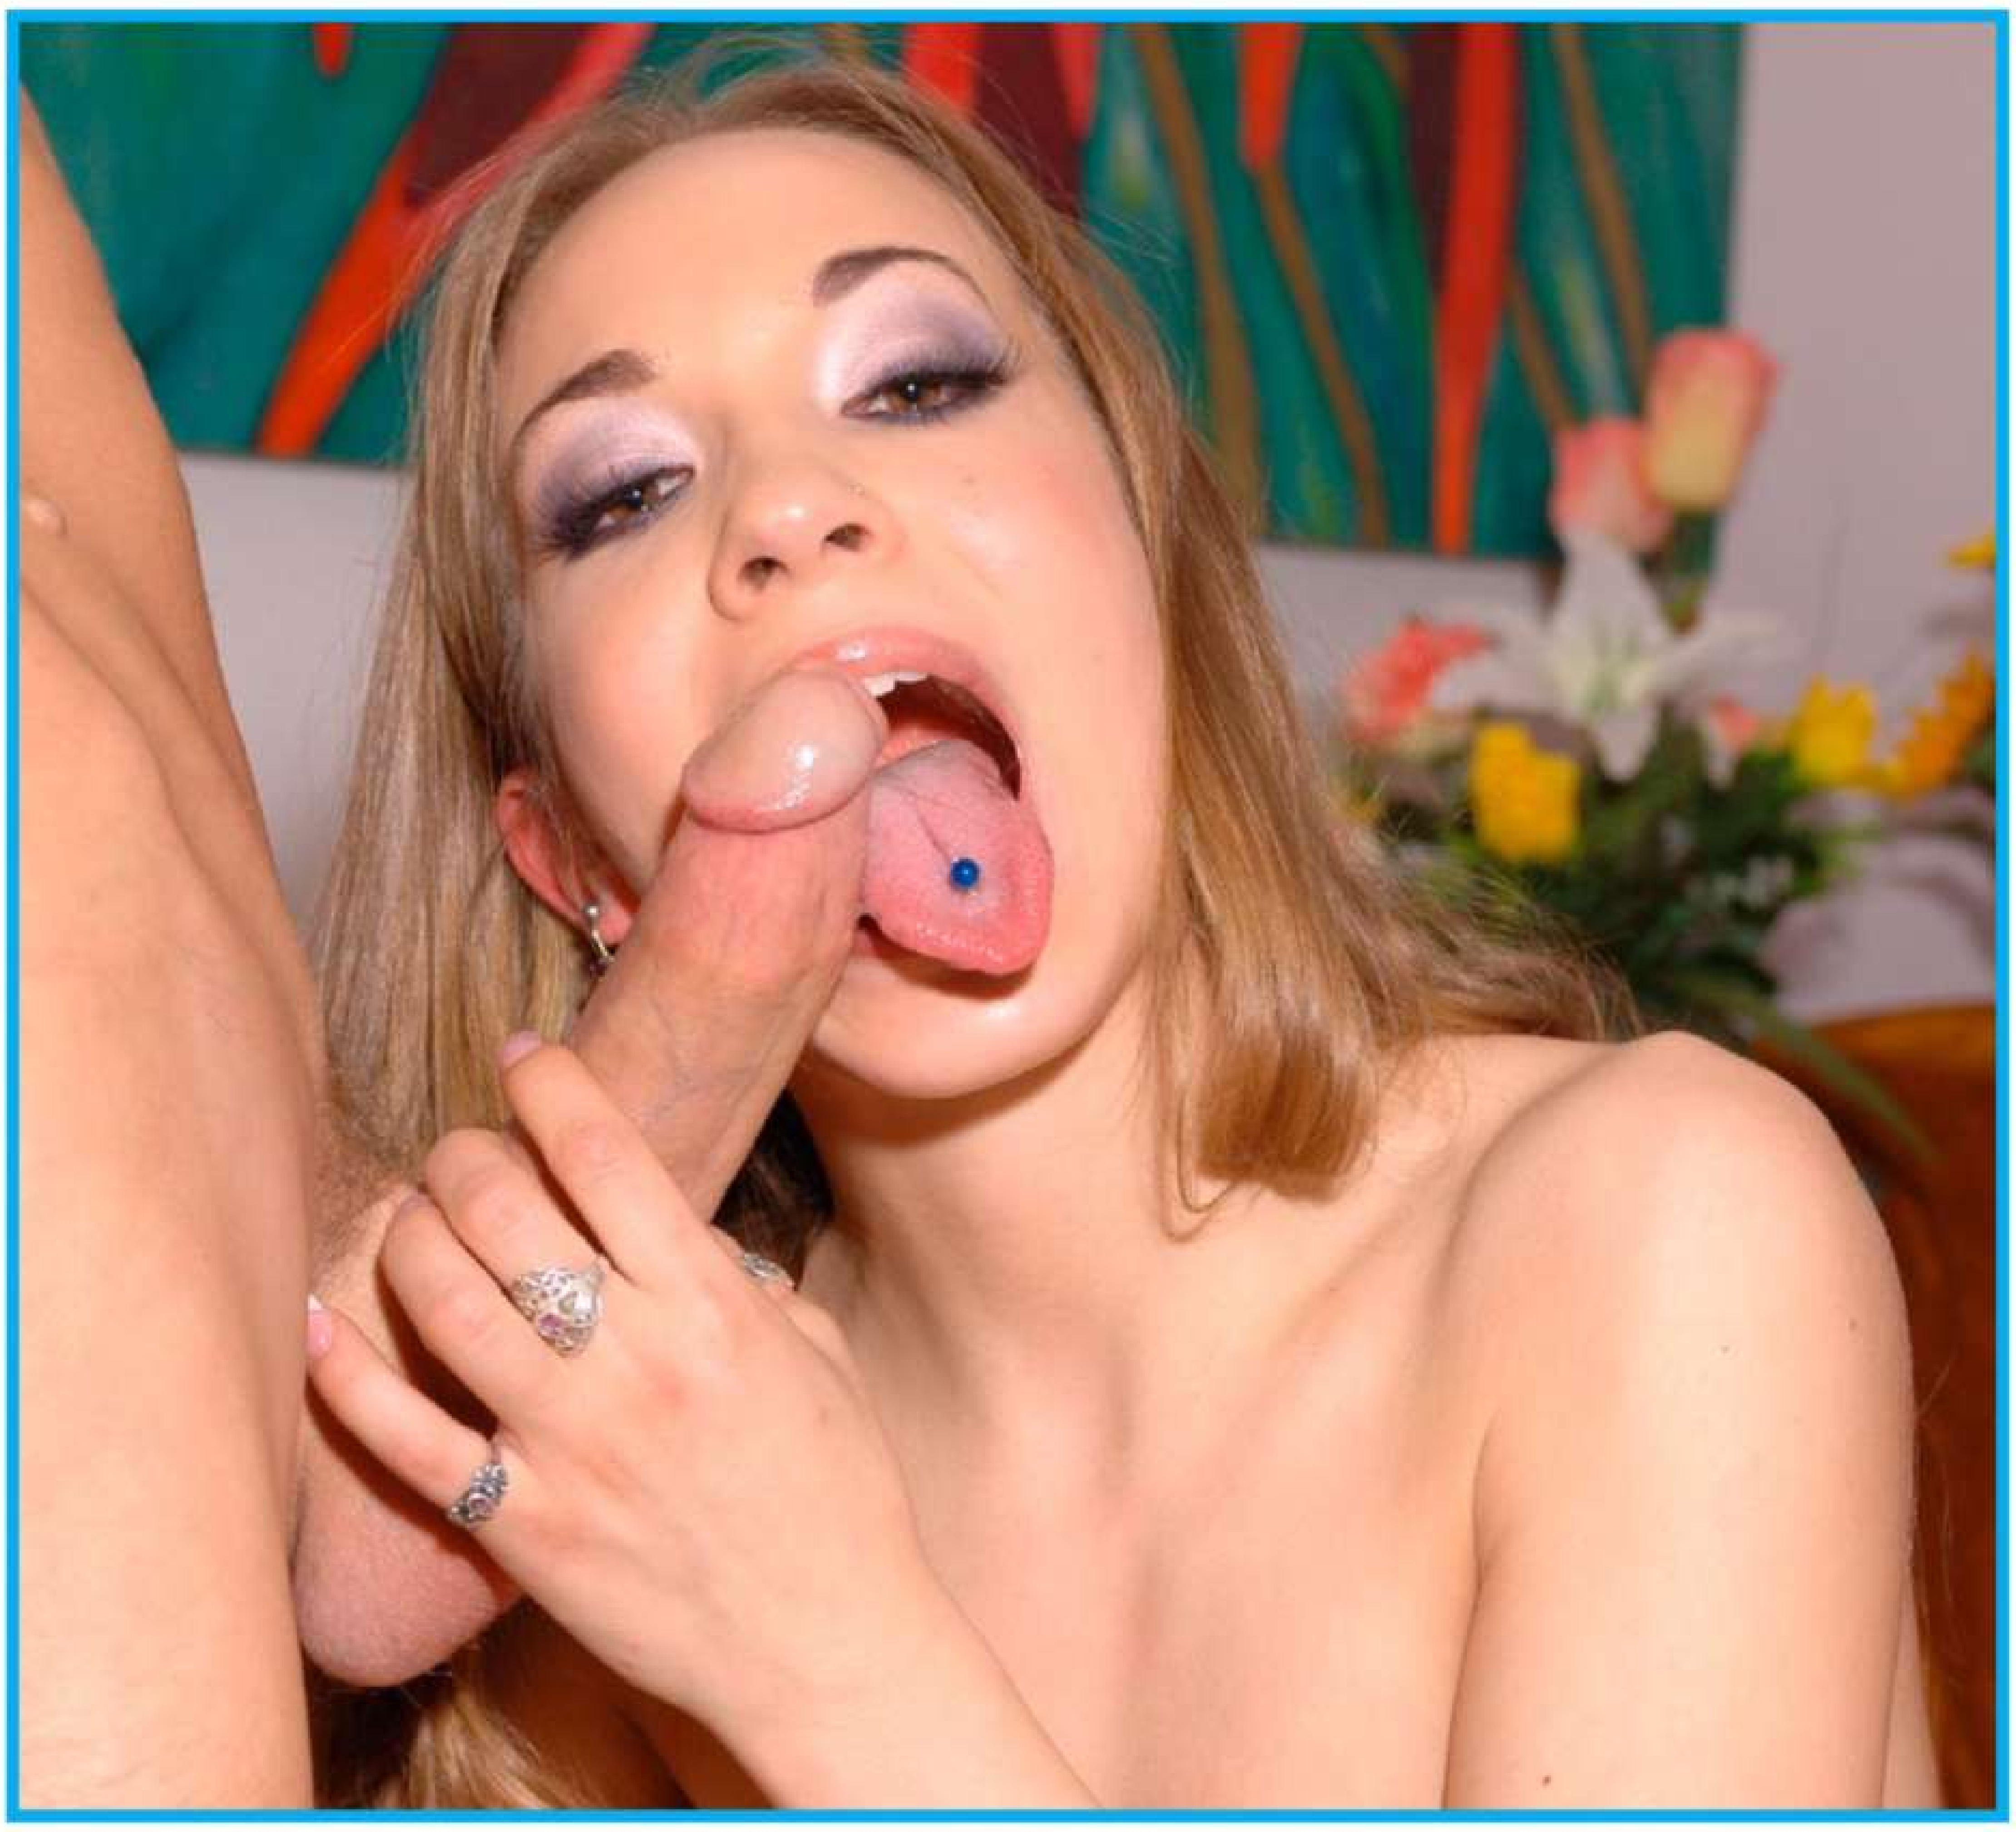
CHEST: 34C

PIERCED: My tongue is

BJ: Of course

GUYS: I like

ANAL: Yes, all the time



I had just graduated college, not exactly sure what do with my life. Admittedly I was lonely and kind of desperate when I invited over my manager from the bar I worked at for "drinks and a movie", which, in the dating world, means "small talk before 69'ing." I really didn't want to have sex with him. I shouldn't have invited him over, but I did. He came over and I immediately realized the bad decision.

REINVENTED

They say that 40 is the new 30. I really don't care. Do you? Look at me. A year ago I was selling cheese in Wisconsin with a hairy bush and a minivan. Now, I'm an all new person ready to take on the world. Say that you're ready for me and more like me?

anal finger fuckers

HOME TOWN: Las Vegas

HITCHED: Twice each

LONELY: Not with her

HEIGHT: 5′3″ and 5′6″

ANAL: Fingers and tongues

CHEST: We love breasts

LOST VIRGINITY: To each other

GALS: Her and her

GUYS: Yes, they′re nice

In one smooth motion AnnaBelle lifted my skirt over my waist; she cupped my pussy with her hand. There was no denying the fact that my pussy was drenched. I wanted her to touch me. And when she whispered in my ear to lower my panties; I simply obeyed her. With her tongue in my mouth I struggled but was able to lower my panties to my knees. A second later, she thrust a few fingers deep in my pussy that lubricated them for their intrusion into my butt. I could only reciprocate the favor and we played away the afternoon.

I bit my lip as I felt my body shake. I squeezed my nipples together as I ground further onto his ridiculously hard cock. He pumped faster and faster until my hips were bucking into the air. I collapsed onto the bed my body still trembling from the orgasm that washed over me. I had my best night's sleep that night.

Everything went on for the next couple months just as it always had with my husband splitting his time between me and work. Lately, we started getting together more than usual. It was like we couldn't get enough of each other. I finally realized his dick was designed for just my pussy. It fit in there like a charm.

the perfect job

After trying for years to get my dream job, I finally did: Supervisor of the Ft. Pierce Beach Patrol in Florida. We are responsible for the safety and preservation of the beaches in Ft. Pierce and the outer barrier islands all the way from Vero Beach in the north down to Jupiter. By now, I know route 1A like the back of my hand, every curve and dune. I'm responsible for a large group of lifeguards and support people including paramedics and maintenance people. I'm also responsible for the physical facilities we use including the beach lifeguard towers, the ambulances, the public pools, the maintenance yards and, of course, our headquarters, where I spend most of my time. It's in the back of one of the larger private pools and it's where everyone checks in and checks out. As you can probably guess, there's a large turnover of staff and most are young people right out of college, although there are some career lifeguards and paramedics who just love the ocean and Florida.

This year we got two new female lifeguards and four males. Several were from the university in Gainesville and the others from the Miami area. All had some experience but I was lucky that two of the lifeguards, both girls, were very, very good at their job. Bianca had just completed college, while Grace came from Miami with a degree in sports medicine. They kept everyone in the pool under control, and they didn't fool around on the job. They were always attentive and alert, and it was a pleasure to work with them. It was also a pleasure to look at them. Bianca was very cute, but Grace was a real knockout! A great swimmer, Grace looked more like a bathing suit model than a lifeguard, and she could have gotten a job just about anywhere she applied, but liked it here.

One Saturday night we decided to keep the pool open an extra couple hours to give the people some relief from the scorching heat we had been having that week. It was well past ten at night when the people left the pool emptied. Both girls stayed to work late along with three others. Anyway, as I started locking up the pool and turning off the lights, I heard Bianca honk her horn good-bye, followed by two little beeps from Grace. A few minutes later I was in my car, headed down the long driveway towards the gates at the entrance. I had just gotten out of my car to close the gates, when I heard Grace's motorbike coming back up the driveway. "Oh, I'm glad I caught you before you left," Grace said. "It was so hot tonight I forgot to get my windbreaker and my wallet is in it. Can you let me back into the locker room?" I locked the gates to keep any one with ideas of a late-night swim out. I hopped on the back of her bike, and we zipped back to the pool house in less than a minute. Grace located her jacket while I waited at the door. She had just about reached the door when she stopped and looked back towards the pool. "Adam, if you're not in a rush, it's still so damn hot, could I go for a quick swim to cool off?" she asked. It had been kind of a hectic day, and as workers, we re-

I was sitting there naked, cock half-erect at her eye level and she was eyeing it, but I never expected what happened next.

ally weren't able to enjoy the pool during work hours. I told her that would be fine but I'd have to stay also. I couldn't leave her alone and the lights had to stay off, and she knows the first rule of the water: have a swim buddy with you.

Grace quickly kicked off her sneakers while I pulled my shirt off and started getting my shoes off. Grace was just about to dive into the cool water when she stopped and gave me a funny smile. "I'm not going to ride home wet." she said as she pulled her suit down past her lovely breasts, below her lovely hips and over and off her lovely legs. "Let's take a skinny dip!" She dove into the water, and I quickly decided to go along and stripping off my trunks, I dove in and dove in. She swam so effortlessly. After five or six minutes in the pool I swam over to the side of the pool and sat up on the edge to watch her. Just then Grace swam to within a few feet of me and walked on the pool bottom over to me and stopped right in front of me. I was sitting there naked, cock half-erect at her eye level and she was eyeing it, but I never expected what happened next. She reached out and grabbed my cock and started rubbing it, looking me straight in the eye now. Then she said, "I want to suck your cock!" How is a man to resist? You can imagine how fast I scooted forward so I was balancing on the pool edge. Now my cock was exactly the same height as her mouth and pointing right at it. She quickly pulled my cock right into her lips and started sucking! She started working on my tool so vigorously that I had to lay back to keep from falling into the pool.

Grace pushed my cock onto my stomach and took both of my wet balls into her mouth while still stroking me. I felt her tongue exploring them and the area just under them. Because my feet were dangling in the water, I lifted them out and over my head giving her perfect access to my butt hole. I have had it licked and played with before and it feels great. She immediately suck her tongue in, probing the brown hole and then replacing her tongue with a finger. I couldn't believe this beautiful, sexy girl was doing this, to her boss, sexing for the first time. But fortunately, we were both off the clock.

After a few minutes she surfaced from my back door and said it was my turn to do her. We switched positions. She effortlessly came out of the water and sat on the pool edge just where I was. I jumped in and told her to scoot to the edge and lay back. She did and opened her legs wide showing off that perfect hairless pussy open like a flower awaiting my tongue. Her pussy was now just as high as my face!

Her beautiful pussy right in front of my face was quite a turn on, especially after the blow job and rimming she gave me. I didn't hesitate to bury my face into her pussy, sliding my tongue up and down her slot, finally focusing on her swelling clit. Working my tongue back and forth over her clit, and a few moments later my tongue was probing the edges of her pink hole.

I took hold of her hips and gently rolled her over so she was face down on the pool deck with her feet dangling in the pool and her

ass cheeks ready for the taking. I spread them and run my finger all around her anus, sticking it in for a second and pulling it out. My tongue replaced my finger and I ate her ass and licked it like a crazy man. She raised her hips with every thrust of my fingers slipping in and out of her ass. I jiggled my fingers faster in her ass as her body arched and convulsed in pleasure.

We were both soaking from wet and sweat and her pussy juices, but she still had more surprises in store for me. She got up and headed for the sliding board. She had gotten only two steps up the ladder when I caught up to her and her ass jutted back at me, face high! My tongue quickly burrowed its way up her asshole, while my hand reached around and worked on her clit. Pushing my tongue into her hot ass as far as it would go, she started gyrating and grinding her ass into my face so hard I thought my nose would break. She started moaning and gasping, and it seemed half my face was up her ass. But my ears weren't, so I heard it when she said "Stick that big prick of yours up my ass!" As juicy as she was, I knew it wouldn't be tough to do. I simply climbed the ladder until I was up behind her, and she did the rest. Reaching back and grabbing my prick with her hand, she placed the head of my shaft at the entrance to her ass.

Just when I was ready to thrust into her, she lowered her ass down onto my prick, engulfing my hot cock up into her moist, tight asshole. As I thrust in response to her tightening and relaxing her anus, we slowly worked our way up the ladder to the top of the sliding board. With my prick still thrust up her hole, she leaned forward, as if she was going to slide down the sliding board on her stomach, head-first. Now I had a perfect angle at her asshole, and filled with lust and passion, I plowed my hard cock into her hole, slamming against her buttocks with a loud slap each time. Although I was in a sexual frenzy and couldn't stop from fucking her ass like a jackhammer even if I wanted to, I was hoping it wasn't hurting her. I shouldn't have worried, because above her moans I heard her repeat "Harder, harder, harder, and harder!" I finally couldn't take any more, and I had to get my cock into her cunt. Pulling out of her ass, I turned her over and plunged as far as I could into her pussy.

...her ass cheeks ready for the taking. I spread them and run my finger all around her anus, sticking it in for a second and pulling it out. My tongue replaced my finger and I ate her ass and licked it like a crazy man.

She wrapped her legs around me, dug her nails into my back, and we fucked all the way down the sliding board, landing in the soft ground at the bottom with a soft "thud." With her body still wrapped around mine, and my cock deep in her pussy, I stood up and placed her back on the sliding board. I then straddled over her, and with a clear path to her pussy, I rammed my prick in and out of her juicy hole for several minutes.

When I could take no more, my moans and groans nearly matched hers as we climaxed in orgasmic delight. In a few seconds, she was up and running away from me again, but this time she ran to the pool to rinse and cool off. A few minutes later we were back at the gates, locking up and kissing each other good-night. I watched as she drove off, looking back to give me a quick wave and blew me a kiss.

This is an experience with a former boyfriend. We would enjoy watching porn together. One day, I decided to put on some lesbian porn. The movie was great with beautiful women. We were laying on the couch together but he didn’t touch me until a good half hour into the movie. He kissed my neck and then unfastened my bra. He lightly touched my nipples and I was so excited that I exploded into a huge orgasm!

Ass lickers, unite!

Yes, it's time for us who love rimming to put our money where our tongues are. It's not that taboo anymore to spend some time on someone's behind. If you've ever been touched or licked back there, thten you know the sensations can be out of this world. It's not like anal sex at all. It's a soft and mild sensation that makes you close your eyes and focus on it's sensual effect.

You just gotta love a gal with a strong oral fixation and Tiana's one of them. She loves to lick and suck and then watch all that white gooey stuff spurt out all over her. But what she likes best is the look on her man's face as her tongue probes places that have not been probed before. Go Tiana. Go!

We were wet, the couch was wet, even the floor in front of the couch got wet! This type of hot sex became a bit of a frequent occurance. He later would rub the head of his hard penis on her clit to get her off. This was just one example of the many sexual escapades that we took part in before marriage. I love sharing stories.

Movie night

I'm writing because I need to clear this from my guilt. Yes, I'm going to go into some detail because it's important, but it's also a lesson for you guys out there who choose to ignore or diss your wife. She may not say anything, but, trust me, she's thinking it. Just hope she doesn't act on it like I did.

I've been carrying the guilt for more than a year. My husband would travel a lot for his job. And doing so, he developed friendships in many cities and would often go just to hang out. I was rarely included. And while I objected, to no avail, many times, I learned to live with it. But the ignoring and lonliness got to me several times and each time I found solace in his best friend's arms. Now, I did not, and still do not, consider it cheating. I see it as not being in denial that my husband chooses to do other things than be with his wife. I am my own person who chooses to have a separate life from him as he does from me. So there.

One night, after my husband had been away for a week and not having any sex for over a month, I called Jeremy and invited him over to keep me company and we would watch a movie. We have had sex before and while I wouldn't deny him tonight, I didn't offer it. So, we're sitting on the sofa with *Life of Pi* dvd playing and we're commenting and talking about the movie and the amazing special effects.

He had his arm around me and we were cuddling, then I felt him sit up and move his arm down slightly right onto my boob. So anyways, he had his hand on my boobs, so I put mine on his thigh. He started squeezing it, so I moved my hand up, and he put his into my t-shirt. I moved mine further up until it was on his penis, and started rubbing him through his pants. He starter squeezing my boobs again, playing with my nipples, kissing my neck. So I turned around to face him and put one leg either side of him, so my boobs were in front of his face.

He took his hand out of the top of my t-shirt, and put them both up my top. He lifted my top over my head and pulled me closer so my boobs were rubbing against his face. He reached his arms around my back and undid my bra. My boobs fell free so he grabbed them and pulled one up to his mouth. He kissed it all over, then licked it, then licked my nipple. I giggled really sexy which turned him on, as I felt his long penis getting hard under my throbbing vagina. He started sucking my nipples, going from one to the other, for about five minutes.

Then his hand moved down, tickling my stomach with the tips of his fingers. The kept moving down until they reached the top of my panty. He stopped. I looked at him, so he moved his hands into my panty and began rubbing my clit, making me grind on him, and my big boobs bounce infront of him. His hand went further in, and

I felt something touch my dripping wet hole. I felt a finger inside me thrusting them faster and harder each time. I came. Creamed on his fingers. I felt like I owed him, so I got down, pulled his pants to his knees, and put his big juicy balls into my mouth as I was giving him a hand job. Then, my head moved up and I put my tongue onto his tip, licking and sucking. My head moved up and down on his cock for a while, then he came. I swallowed every drop.

I got back up and sat on him and as he put his hands on my back, I felt them slowly sliding down, tickling my spine, giving me tingles all over. They slid into the back of my panty, grabbing the band gently and slid them further down revealing my soaked pussy. He lifted my up lowered me down, onto his fully erect penis. Because I was so wet, It went it with no problem. We had sex for ages, while he sucked my nipples again. When we finished we got cleaned up and continued watching the movie as if it never happened. All there was to show was my soaked panty, and the wet patch on his pants.

– Natalee, Cincinnati

No such thing as bad sex

There are tons and tons of people who will boast and tell you how good thety are at sex. Their the ones who'll say things like: 'Yeah, I'll do anything once.' or 'We fucked for six straight hours without a break.' Typically, they're the type that's just blowing smoke up your ass.

There's a girl I had met through a friend who was married but apparently not getting enough from her man and I initially found her interesting. That is, until she attempted to harass me. She would send me texts like *I'll be the best fuck you'll ever have* and *No one can fuck you like I can fuck you* and the ever popular, *I give the best blow jobs on the planet.*

Well, much to my disappointment in aftersight, sex with her was completely sloppy and awkward. It's like when you take two magnets and point the same poles towrds each other. There was no rhythm and I remember kissing her was like trying to stick my tongue in a bathtub. Some people fake orgasms on purpose and some do it out of habit. She moaned during sex making the fakest sex sounds possible. She shrieked, called me daddy, and probably woke up the entire fucking neighborhood with her booming yells of fake sexual pleasure.

My poor cock shriveled from the lack of chemistry with this chick and threw in the towel early. I laid down defeated and supremely grossed out. Then, she asked me in this whiny voice: "Um, can I suck your cock?" I sighed again, her question and tone reminiscent of a 1920's talkie. We all know how this is going to end. "Sure," I said, "Go for it." She did. It was fine, but to get to that point was so excrutiating painful mentally. They say there's no such thing as a bad pizza and no such thing as bad sex. Next time I'll just do myself.

– Jonas, Houston

You can watch and touch

We have been married for eight years. No kids yet, but we're trying. In the meantime we want to live it up as best we can because if and when we have kids, everything will change. So we've decided to become a little more adventurous in our current sex life.

We decided to have Morgan over that Friday night. About an hour before his arrival, I showered and trimmed everything up. David's sneaking his tongue in and around my pussy to get me warmed up. I mentioned I was a bit nervous, but was ready to get my cock overload for the evening, and hoped he enjoyed the show. After making sure the camera was set up with a great view to our bed, we petted each other and awaited our guest.

Morgan arrived a few minutes early and I answered the door in a black see-through top, no bra, a black thong, and satin shorts that really show off my assets. He grabbed my hand as I invited him in.

I sat down on the couch beside him, placing his hand on my leg, which he immediately began to rub. In no time at all I was surrounded, David on my right, Morgan on my left, hands all over me and mouths kissing my arms and neck. This time we took it slow, had a bottle of wine first and talked for a bit. My husband took charge this time and started kissing me again as we were sitting on the sofa with his friend sitting in a chair across from us. David began undressing me while Morgan watched, teasing me by telling me he wasn't sure if he was going to let me have sex with him. He then spread my legs so that I was on full display for his friend and began fingering me and sucking my breasts. His friend was watching all this and had a huge erection at this point.

When he was satisfied that I was good and wet and about ready to orgasm, he told me to get down on the floor on all fours. David dropped his pants and thrust himself inside me. We were both so aroused doing it front of his fully clothed friend that we exploded within just minutes. When he was done he moved me back to the sofa, legs spread so that I was on display as before. He then told him that if he wanted to fuck me he had to eat me like I had made him do the first time. Morgan's jaw dropped! After a brief pause though he dropped down on his knees and buried his face in my hot mess. I had my second orgasm within minutes.

> *About an hour before his arrival, I showered and trimmed everything up. David's sneaking his tongue in and around my pussy to get me warmed up.*

Once he was satisfied he'd eaten enough, David told him he was ready to watch him fuck me. He didn't waste any time pulling it out and shoved it in so hard and fast that I screamed. He just began pounding me he was so excited and I was moaning and groaning like crazy. He's huge, but it felt even bigger than before. It was over in less than five minutes and both of us collapsed. David then asked Morgan to get dressed and leave and told him he'd let him know the next time he wanted him to satisfy me.

– David's wife in heat

Nesty

I was at the gym last week, I got done with a late night work out and no one was in the men's locker room so I decided to shower there. I had never done that before but after only ten minutes I heard someone walk in and he got in the shower stall across from me. There aren't any curtains on the side, just dividing walls between showers.

He noticed me and I tried to cover myself, to no avail. I decided to give in and gave him a better view so I turned my front toward him a bit so everything was in clear view. He stared to rub his cock and quickly became hard. It was huge. He came over and grabbed me and bent me down to suck his dick. He jammed it down my throat. I took it all in like an expert and within minutes he came all over me. Then he left so I could finish my shower.

I have a wondersful husband in every way. Except his penis is too small to give me the same pleasure I get from men with larger ones. A lot of times when hubby and I are making love, I like it sorta rough and hard thrusting sex but I can't do it that way with hubby. I was on an overnight flight sitting beside a guy with the greatest smile. He caught me looking more than once at him and he'd break into a bigger smile, and that started making me hot. The stewardess offered blankets for sleeping and we both took one. Within minutes I felt a hand on my thigh and in no time it moved to my crotch. I noticed his eyes were shut as if he was sleeping. He shocked me when he slipped his hand under my skirt and proceeded to masturbate me. I returned the favor and we both came at 35,000 feet.
